

BOOSH

Beecroft Out Of School Hours

Enrolment and Orientation

Policy Statement

The BOOSH Centre accepts enrolments to the service for primary school age children in accordance with funding priorities and guidelines.

An orientation process is in place for children and their families. The purpose of this is to enable educators/staff to meet and greet children and their families and provide essential operational information to families.

The BOOSH Centre is committed to providing a positive and inclusive environment for all children during enrolment and orientation. We prioritise the wellbeing and safety of each child, fostering a sense of belonging, respect, and engagement. Our policy aims to ensure a smooth transition for both children and their families, promoting effective communication, collaboration, and transparency throughout the enrolment and orientation process.

We strive to understand and accommodate individual needs, preferences, and cultural backgrounds, while maintaining clear procedures and guidelines to ensure consistency and fairness. By upholding these principles, we aim to create a welcoming and supportive atmosphere that encourages children's growth, development, and enjoyment within our OOSH program.

Background

The Education and Care Services National Regulations requires all approved providers to have policies and procedures in place in relation to the enrolment and orientation of children and families at the service.

The BOOSH Centre values respectful and supportive relationships with our families as the basis of a smooth transition and quality outcomes for children in the service. Our quality practice enrolment and orientation processes seek to promote these relationships.

We actively seek the input of all those associated with the service in our decision-making processes. For families, we ensure this begins at enrolment and orientation.

Our educational program accounts for each child's knowledge, strengths, ideas, culture, abilities and interests. We view enrolment and orientation as an important opportunity to begin to gather this information from the child and their family.

We are committed to good governance and quality management. Our systems and practices ensure that our record keeping meets regulatory requirements, including in relation to confidentiality and storage.

Legislative Requirements

This policy is consistent with the legislative requirements detailed in, but not limited to, the following *Education and Care Services National Law and Regulations*:
